All the actions of the game take place in intricate places where you will have to destroy the targets avoiding the lights of the projectors and guards, but as shelters you can use literally everything from various objects to shadows. As you develop, you'll have access to various characters, each with their own abilities. The plot in Hunter Assassin is rather superficial, which does not spoil the big picture. Updated to version 1.31! @ Hunter Assassin 2 - The best and most attractive killer hunting game today. To become a professional Assassin 2 player you need to control the killer and hunt down each target quickly and accurately. At the same time use the surrounding obstacles to hide, hide from the torrlight, and evade hunters who are chasing you. Hunters hide everywhere and are armed with an automatic pistol, so you have to stay alert and keep a safe distance from those aggressive hunters. Each destroyed hunter has the opportunity to earn more gold to upgrade new skills to give you more speed and power to easily cross the level. Even on the way to destroying the hunter, you should be careful to collect keys and items to unlock valuable rewards. Become the legend of Hunter Assassin 2 - become a smart and alert player in all circumstances. Be careful to control Assassin 2 to destroy your hunter2- enemy one by one without losing anyone. Try downloading and experimenting with Assassin 2 to discover many interesting features. Beautiful graphic realistic image of Hunter Assassin. You will play the role of a killer hunted by hunters. Adjust the arrow direction for easy play. Experience a realistic and fluid combat game with the peak of head-to-head battles. Play a lot to receive valuable gifts. Open the fastest killer.
